

## ADS-B Primer

Automatic Dependent Surveillance-Broadcast Out (ADS-B Out) will be required equipment January 1, 2020. In this seminar we'll take a look at the requirements, equipment needed and options for pilots and aircraft owners.

You need not be an EAA member to attend and feel free to join us for our meeting after the seminar.

**Directions:** Please consult Map Link below. Meeting will be held in the Flightways Columbus conference room.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
